Without limitation on the generality of the foregoing, Suppliers, and any of their affiliates, shall be considered to have a conflict of interest and shall not be recruited, under any of the circumstances set forth below:

- a. A firm that has been engaged by the Procuring Entity to provide goods, works or services other than consulting services for a project, and any of its affiliates, shall be disqualified from providing consulting services related to those goods, works or services. Failure to disclose said situations may lead to the disqualification of the Consultant or the termination of its Contract.

No agency or current employees of the Procuring Entity shall work as consultants under their own ministries, departments or agencies. Recruiting former government employees of the Procuring Entity to work for their former ministries, departments or agencies is acceptable provided no conflict of interest exists.
