REQUEST FOR QUOTATIONS (FOR GOODS)

PROC NO.: ZCH/RFQ/INSECT/TRAPPER/11/26/REVISED Date: 18th November, 2026

……

…….....

The Procuring Entity named above invites you to submit your quotation for described herein. Partial Quotations may be rejected, and the Purchaser reserves the right to award a contract for selected items only. Any resulting order shall be subject to the Government of Malawi General Conditions of Contract for Local Purchase Orders (available on request) except where modified by this Request for Quotations. **20% of Margin of preference will be given to indigenous black Malawians. And Provide Colored Identity Photo**

SECTION A: QUOTATION REQUIREMENTS:

1) **Description of Goods**: Procurement of **Insect Trapper for Catering Dept.**
2) Quotation prices should be based on: **Malawi Kwacha**
   (a) for goods supplied from within Malawi; EXW – insured and delivered to**: DDP/ DAP (Delivery at Place) - Insured and delivered at Zomba Central Hospital**
   (b) for goods supplied from outside of Malawi; CIP or DDP **and delivered at Zomba Central Hospital**
3) The Delivery period required is **8 days** from date of order.
4) Quotations must be valid for **30 days** from the date for receipt given below.
5) The warranty/guarantee offered shall be:
6) Quotations and supporting documents as specified in Section B must be marked with the Procurement Number given above, and indicate your acceptance of the terms and conditions.
7) Quotations must be received, in sealed envelopes, no later than: **24th November, 2026 at 10.00am and deposited in the Tender Box in the Procurement and Disposal Unit, Zomba Central Hospital.**
8) Quotations must be returned to: **The Chairman, Internal Procurement and Disposal Committee, Zomba Central Hospital, P.O. Box 21, Zomba.**
   The attached Schedule of Requirements at Section C, details the items to be purchased. You are requested to quote your delivered price for these items by completing and returning Sections B and C.

9} The attached Schedule of Requirements in Section D, details the items to be procured. You are requested to quote your delivered price for these items by completing and returning Sections C and D.

10) Payment to the supplier shall be made **within 30 days** from the date of receipt of invoice.

11) Goods must be new not reused

12) The detailed descriptions of the goods required are provided in table below. Bidders shall provide full descriptions of the products being offered in Section D - Price Schedule.

Your quotation is to be returned by completing and returning this Form and Section C and D including any other information/certification required within this RFQ.

SECTION B: QUOTATION SUBMISSION SHEET

1. Currency of Quotation: *Malawi Kwacha*

2. Delivery period offered: ……..… [*insert a number*] days/weeks/months from date of the Local Purchase Order.

3. The validity period of this Quotation is: ……..…. [*insert a number*] days from the date for receipt of Quotations.

4. Warranty period (where applicable): ……. [*insert a number*] months.

5. We attach the following documents: [*tick against the document(s) you have attached*]

(a) Section D of the Request for Quotations completed and signed; ☐

(b) A copy of our Business Registration Certificate and Trading Licence; ☐

(c) A copy of our Annual Tax Clearance Certificate (for the last Financial Year); ☐

(d) A list of recent Government contracts performed; ☐

(e) [*Insert any other documentation required by the Procuring and Disposing Entity*].

……
……..

……
……..

6. We offer to supply in conformity with the Request for Quotations Documents and in accordance with the delivery schedule required in Section D: Schedule of Requirements]

7. We have examined and have no reservations to the Request for Quotations Document, including Addenda No: *(Insert Number and date)* of Addenda).

8. Our price shall be fixed for the duration of the validity period

9. We declare that our firm, Directors and Beneficial Owners do not engage in corrupt, fraudulent and/or uncompetitive practices whenever participating in procurement proceedings.

AUTHORISED BY: **[***to be completed by someone who has the power of attorney for the bidder]*

Signature: _____ Name: _____

Zomba Central Hospital

Notes: The Procurement Levy is calculated based on Sub-total before taxes.

Zomba Central Hospital

Procurement Number: ZCH/RFQ/INSECT/TRAPPERS/11/26/REVISED **Date: 18th November,2026**

PROCUREMENT SPECIFICATION DOCUMENT

Hygienic Insect Control Systems (Glue Board Insect Light Traps)

Target Category:	Hygienic Insect Control Systems (Glue Board Insect Light Traps)
Procuring Entity:	Zomba Central Hospital (ZCH), Zomba, Malawi
Installation Area:	Hospital Main Kitchen, Dietary Prep, and Food Storage Facilities
Delivery Point:	ZCH Stores / Receiving Area, Zomba, Malawi

1. Scope of Work

The vendor shall supply industrial-grade, energy-efficient Ultraviolet (UV) Insect Light Traps (ILTs) designed specifically for healthcare and commercial food-service environments, for flying-insect control (houseflies and other flying insects) in the Zomba Central Hospital kitchen. The units must rely entirely on glue-board technology for silent, hygienic pest retention. **Electric-grid ("bug zapper") or any other insect-fragmenting devices, and any spray, fogging or poison-based devices, are strictly prohibited** in all food handling areas.

Quantity and Coverage: The vendor shall state the recommended number of units for the kitchen, dietary prep and food storage areas, based on the rated coverage area (m^2) of the model offered. Unit prices must be quoted per unit so that the final quantity can be confirmed by ZCH.

Operating Environment: The units will operate in a hot, humid, dusty environment with frequent mains voltage fluctuations and unplanned power cuts, and must perform reliably under these conditions (see Section 3).

2. Regulatory Compliance & Certifications

To comply with hospital infection control, food safety guidelines, and healthcare audits, all supplied units must meet the following baseline criteria:

- **Food Safety (HACCP) Suitability:** The manufacturer must provide a current certificate, independent verification or written declaration confirming that the unit is suitable for use in food-handling premises operating under Hazard Analysis and Critical Control Point (HACCP) principles, including glue-board retention of insects without scattering insect fragments.
- **Electrical Safety:** Units must be CE marked and/or comply with IEC 60335-2-59 (safety of electrical insect killers), or carry equivalent internationally recognised laboratory safety certification (e.g. UL, GS, UKCA). Copies of the certificates must be submitted with the quotation.

- **Manufacturer Quality System:** The manufacturer should hold a current ISO 9001 certificate (copy to be supplied).
- **IP Rating:** Minimum IP20 enclosure rating for standard dry-prep areas; IP65 waterproof rating required for any units specified for wet washdown areas.

3. Electrical & Local Operating Conditions

The units will be used on the Malawian public electricity supply, which is subject to voltage variation and sudden power cuts. All units must therefore meet the following:

- **Supply Voltage:** Rated for 220–240 V AC, 50 Hz, single-phase (Malawi mains is 230 V, 50 Hz). The unit must tolerate normal supply fluctuations (at least ±15%) without damage or tripping, and the vendor must state the permitted voltage range.
- **Power-Cut Resilience:** The unit must restart automatically when power is restored, with no manual reset or reprogramming, and must not be damaged by repeated sudden power cuts and surges. Built-in surge or over-voltage protection is preferred.
- **Plug and Cable:** Supplied with a minimum 2 m mains cable fitted with a 3-pin Type G (BS 1363, 13 A) fused plug as used in Malawi, or with a terminal block suitable for fixed wiring by the ZCH electrician. Units must be earthed (Class I) unless certified Class II double-insulated.
- **Power Consumption:** The vendor must state the rated power consumption (W) of each unit. Lower-wattage UV-LED models are preferred to reduce running costs.
- **Climate:** Rated for continuous operation in ambient temperatures of 5–45 °C and relative humidity up to 90% (non-condensing), in kitchens exposed to steam, grease and dust. Glue boards must not soften, run or drip at kitchen temperatures up to 45 °C.

4. Mechanical & Structural Specifications

- **Retention Method:** High-tack, UV-stable adhesive glue boards. Glue boards must feature a grid pattern to facilitate easy insect counting/monitoring for integrated pest management (IPM) tracking.
- **Material Construction:** Corrosion-resistant materials only. Accepted finishes are 304 Grade Stainless Steel, brushed aluminium, or heavy-duty fire-retardant polymers. Exposed raw steel or chip-prone painted finishes are forbidden. Surfaces must be smooth and easy to wipe clean, with no grease-trapping crevices.
- **Mounting Configuration:** Designed primarily for secure flush wall-mounting (unless specifically noted for double-sided ceiling suspension in receiving areas). The design must conceal the trapped insects from the direct view of staff and kitchen visitors. Stainless steel (or equivalent corrosion-resistant) fixings, wall plugs and ceiling chains/hooks, as applicable, must be supplied with each unit.
- **Tool-Free Servicing:** The chassis must allow for front-loading or drop-down access to facilitate tool-free, rapid replacement of glue boards and lamps by facilities staff.

- **Coverage and Durability:** The vendor must state the rated coverage area (m^2) and the dimensions and weight of each unit. The unit must be robust enough for a busy hospital kitchen with frequent cleaning.

5. Lamp & Bulb Requirements (Strict Contamination Controls)

- **Shatterproof/Shatter-Resistant Coating:** All UV lamps must be 100% shatterproof. Lamps must be factory-jacketed in a high-quality FEP (Fluorinated Ethylene Propylene) or specialized PET plastic sleeve. In the event of a bulb rupture, 100% of glass shards, phosphors, and mercury vapour must be safely contained within the sleeve.
- **Light Wavelength:** Equipped with high-output UV-A lamps emitting at an insect-attracting peak wavelength of approximately 365 nanometres (nm), within the range of 350–380 nm.
- **Technology Preference:** Preference will be given to UV-LED technology systems due to their reduced carbon footprint, lower operational wattage, absence of mercury, and extended consumable lifecycle (minimum 3-year LED lifespan vs. 1-year traditional fluorescent tube lifespan).
- **Disposal:** For any mercury-containing fluorescent lamps, the vendor must provide guidance on safe handling and disposal of used lamps.

6. Consumables & Maintenance Requirements

The vendor must state the precise commercial part numbers, pricing, and availability for:

- Replacement glue boards (packs of 10/25).
- Replacement shatterproof UV-A lamps/LED modules.

All traditional fluorescent UV bulbs quoted must guarantee a minimum effective life of 9,000 hours (12 months) before UV degradation requires replacement. All LED modules must guarantee a minimum of 25,000 hours.

- **Local Supply of Consumables:** Because consumables will be needed repeatedly after delivery, the vendor must state where glue boards and lamps can be obtained in Malawi (local agent or stockist) and the lead time for resupply. If they must be imported, the vendor must state the lead time and shipping arrangements.
- **Initial Consumables Stock:** The vendor must quote, as a separate line item, an initial 12-month supply of glue boards and one set of spare lamps/LED modules per unit, delivered with the units.

7. Bidder Information & Reference Specification

This specification is brand-neutral. Bids will be accepted for any make and model that meets or exceeds every requirement above. With each quotation the bidder must provide:

- **Brand and Model:** The brand, model number and country of origin of each item offered.
- **Pictures:** Clear pictures of the exact unit offered (closed and open, showing the glue board and lamp arrangement).

- **Factsheet:** The manufacturer's datasheet/factsheet for the exact model offered, showing the specifications requested in this document (power, voltage range, coverage area, IP rating, lamp type and life, materials, dimensions and weight).
- **Compliance Evidence:** The certificates listed in Section 2.
- **Track Record:** Details of at least two comparable installations (hospital or food-service premises), preferably in Malawi or the region, with contact details for reference.
- **Deviations:** A clear statement of any point on which the offered unit differs from this specification. ZCH reserves the right to decide whether an offered unit is technically equivalent.

8. Vendor Warranty & After-Sales Requirements

To ensure long-term durability and lower the hospital's total cost of ownership, the bidding vendor must provide guarantees that meet or exceed the following criteria:

- **Chassis & Components Warranty:** A minimum 2-year comprehensive manufacturer's warranty covering the structural frame, ballast/driver components, and electrical wiring against structural defects, rust, or component failure.
- **LED Driver Warranty (If Applicable):** For systems utilizing UV-LED technology, the internal driver or power supply must carry a minimum 5-year warranty.
- **Consumable Guarantee:** All supplied shatterproof UV lamps or LED modules must be guaranteed to arrive free of defects. Any lamps flickering, dying, or suffering premature FEP sleeve peeling within 90 days of installation must be replaced by the vendor at zero cost to the hospital.
- **Warranty Under Local Conditions:** The warranty must remain valid under normal Malawian mains fluctuations and power cuts, within the voltage range stated by the manufacturer.
- **Warranty Service:** Replacement parts under warranty must be delivered to Zomba at the vendor's cost, within 30 days of a reported fault. The vendor must name the contact person or local agent for warranty claims and after-sales support.
- **Replacement Parts Availability:** The vendor must formally guarantee the availability of matching replacement parts (ballasts/drivers, sockets, glue boards, and specific shatterproof bulbs) for a minimum of 5 years following the discontinuation of the purchased model.

9. Delivery & Commissioning Schedule

The selected vendor must adhere to a phased deployment schedule to minimize disruption to live hospital dietary operations. Because most equipment will be imported, the bidder must state its realistic delivery time in the quotation.

Phase 1: Submittal & Safety Review (Within 14 Days of Contract Award)

The vendor shall submit technical data sheets for the exact ILT models, shatterproof bulb compliance certificates, and safety data sheets (SDS) for the adhesive used on the glue boards, for review by the hospital's Infection Control and Facilities teams.

Phase 2: Secure Delivery (Within 60 Days of Approval)

All equipment must be delivered to the hospital's designated receiving area in Zomba in original, unopened manufacturer packaging. Every individual box containing UV lamps must be clearly labeled as "FRAGILE: SHATTERPROOF COATED BULBS INSIDE" to ensure careful handling by receiving staff. Any transit damage must be replaced by the vendor at no cost to the hospital. Bidders unable to meet 60 days must state their delivery time in the quotation.

Phase 3: Installation & Commissioning (To Be Scheduled with Dietary Management)

- **Installation Responsibility:** Installation (drilling and mounting) will be carried out by the vendor or its local agent. The vendor must state which option applies.
- **Off-Peak Installation:** To maintain food safety hygiene, physical installation must take place during off-peak kitchen hours (e.g., between 8:00 PM and 4:00 AM) or other down-times agreed with the Catering/Dietary Manager.
- **Post-Mounting Verification:** Upon mounting, every unit must be tested to ensure operational electrical earth, functional UV emission, automatic restart after a power cut, and complete concealment of the glue board from the dining/service side.

Phase 4: Handover & Staff Training (On Day of Commissioning Completion)

The vendor must provide a 15-minute briefing and an English-language user guide to the kitchen's shift supervisors on how to execute tool-free glue board changes safely, how to log insect counts for Integrated Pest Management (IPM) audits, and how to safely dispose of used boards and lamps.

10. Quotation Requirements

- **Pricing:** Separate unit prices for the ILT units, initial consumables, spare lamps/modules, mounting accessories and installation (if offered). Prices must state the currency and whether they include VAT, import duty, and delivery to ZCH, Zomba.
- **Quotation Validity:** The quotation must remain valid for at least 90 days from the closing date, to allow for hospital approval processes.
- **Delivery Time:** The stated delivery time from order confirmation to delivery in Zomba.
- **Payment Terms:** As stated by the bidder, for ZCH's consideration.

Zomba Central Hospital

Procurement Number: ZCH/RFQ/INSECT/TRAPPERS/11/26/REVISED **Date: 18th November,2026**

11. Bidder Compliance Statement

Every bidder must complete and sign this statement and return it with the quotation. For each requirement, state Yes, No or Deviation, give the value offered where requested, and reference the supporting document (certificate, factsheet page, etc.). Incomplete, unsigned or unsupported compliance statements may be treated as non-responsive, and a "Yes" that is contradicted by the supporting documents will be treated as non-compliant.

A. Bidder Details

Company name	
Physical address	
Contact person, phone and email	
Local agent/representative in Malawi (if any)	
Brand and model offered	
Country of origin	
Date of quotation	

B. Requirement-by-Requirement Compliance

No.	Requirement	Complies? (Yes / No / Deviation)	Bidder's offered value, remarks and document reference
Section 2: Regulatory Compliance & Certifications			
2.1	HACCP food-safety suitability certificate, verification or declaration		
2.2	CE marking and/or IEC 60335-2-59 (or equivalent) safety certificate		
2.3	Minimum IP20 enclosure (IP65 for wet washdown areas)		
Section 3: Electrical & Local Operating Conditions			
3.1	220–240 V AC, 50 Hz; tolerates at least ±15% supply variation (state range)		
3.2	Automatic restart after power cut; surge/over-voltage protection (state)		

Procurement Number: ZCH/RFQ/INSECT/TRAPPERS/11/26/REVISED **Date: 18th November,2026**

No.	Requirement	Complies? (Yes / No / Deviation)	Bidder's offered value, remarks and document reference
3.3	Minimum 2 m cable with fused Type G plug (or terminal block); earthed or Class II		
3.4	Rated power consumption (W) stated		
3.5	Operates at 5–45 °C and up to 90% RH; glue board stable at 45 °C		
Section 4: Mechanical & Structural			
4.1	High-tack, UV-stable glue boards with monitoring grid		
4.2	304 stainless steel, brushed aluminium or fire-retardant polymer; smooth, wipe-clean		
4.3	Flush wall-mounting, insects concealed, corrosion-resistant fixings supplied		
4.4	Tool-free front-loading/drop-down access for glue boards and lamps		
4.5	Rated coverage area (m^2), dimensions and weight stated		
Section 5: Lamp & Bulb Requirements			
5.1	100% shatterproof lamps with FEP/PET sleeve		
5.2	UV-A peak at approximately 365 nm (350–380 nm)		
5.3	UV-LED lifespan at least 25,000 h (or fluorescent at least 9,000 h)		
5.4	Guidance on safe disposal of used lamps provided		
Section 6: Consumables & Maintenance			
6.1	Part numbers, prices and availability for glue boards and lamps/LED modules		

Procurement Number: ZCH/RFQ/INSECT/TRAPPERS/11/26/REVISED **Date: 18th November,2026**

No.	Requirement	Complies? (Yes / No / Deviation)	Bidder's offered value, remarks and document reference
6.2	Source of consumables in Malawi and resupply lead time stated		
6.3	Initial 12-month consumables stock quoted as a separate line item		
Section 7: Bidder Information			
7.1	Brand, model number and country of origin stated		
7.2	Pictures of the exact unit offered attached		
7.3	Manufacturer factsheet/datasheet attached		
7.4	At least two comparable installations with contact details		
7.5	Deviations from this specification declared		
Section 8: Warranty & After-Sales			
8.1	Minimum 2-year chassis and components warranty		
8.2	Minimum 5-year LED driver warranty (if LED)		
8.3	90-day free replacement of defective consumables		
8.4	Warranty valid under Malawian mains fluctuations and power cuts		
8.5	Warranty parts delivered to Zomba within 30 days; named contact or local agent		
8.6	Parts availability for at least 2 years after model discontinued		
Sections 9 & 10: Delivery, Training & Quotation			
9.1	Submittals within 14 days of contract award		

Procurement Number: ZCH/RFQ/INSECT/TRAPPERS/11/26/REVISED **Date: 18th November,2026**

No.	Requirement	Complies? (Yes / No / Deviation)	Bidder's offered value, remarks and document reference
9.2	Delivery within 60 days of approval (state actual delivery time)		
9.3	Installation responsibility stated (vendor, local agent or ZCH Maintenance)		
9.4	15-minute staff briefing and English-language user guide		
10.1	Itemised prices with currency; VAT, duty and delivery to ZCH stated		
10.2	Quotation valid for at least 90 days		
10.3	Payment terms stated		

C. Bidder Declaration

I confirm that the information in this compliance statement is accurate, that the item offered meets every requirement of this specification except where a deviation is declared above, and that the manufacturer's documents supplied relate to the exact model quoted.

SECTION D: BENEFICIAL OWNERSHIP DISCLOSURE FORM

Date: **[insert date]**
Procurement Reference No.: **[insert procurement reference number]**

INSTRUCTIONS TO BIDDERS: DELETE THIS BOX ONCE YOU HAVE COMPLETED THE FORM

This Beneficial Ownership Disclosure Form ("Form") is to be completed by the Bidder. In case of joint venture, the Bidde separate Form for each member. The beneficial ownership information to be submitted in this Form shall be current as o submission.

For the purposes of this Form, a Beneficial Owner of a Bidder is any natural person who ultimately owns or controls the B or more of the following conditions:

1. *directly or indirectly holding 5% or more of the shares*
2. *directly or indirectly holding 5% or more of the voting rights*
3. *directly or indirectly having the right to appoint a majority of the board of directors or equivalent governing body*
4. *directly or indirectly, has a substantial economic interest in or receives substantial economic benefit from, a comp alone or together with other persons;*
5. *has a significant stake in a company and on whose behalf activity of a company is conducted; or*
6. *exercises significant control or influence over a person through a formal or informal agreement, and where such o interest is through a trust, the trustee (s), beneficiaries, or anyone who controls the trust.*

To: [**insert complete name of Procuring and Disposing Entity**]

In response to your request in the Letter of Acceptance dated [insert date of letter of Acceptance] to furnish additional information on beneficial ownership: [select one option as applicable and delete the options that are not applicable]

(i) we hereby provide the following beneficial ownership information.

Details of beneficial ownership

Identity of Beneficial Owner	**Directly or indirectly holding 5% or more of the shares** **(Yes / No)**	**Directly or indirectly holding 5 % or more of the Voting Rights** **(Yes / No)**	**Directly or ind appoint a maj directors or ar the Bidder** **(Yes / No)**
[include full name (last, middle, first), nationality, country of residence]			

OR

(ii) We declare that there is no Beneficial Owner meeting one or more of the following conditions:

- directly or indirectly holding 5% or more of the shares
- directly or indirectly holding 5% or more of the voting rights
- directly or indirectly having the right to appoint a majority of the board of directors or equivalent governing body of the Bidder.
- directly or indirectly, has a substantial economic interest in or receives substantial economic benefit from, a company, whether acting alone or together with other persons;
- has a significant stake in a company and on whose behalf activity of a company is conducted; or
- exercises significant control or influence over a person through a formal or informal agreement, and where such ownership, control or interest is through a trust, the trustee (s), beneficiaries, or anyone who controls the trust.

OR

(iii) We declare that we are unable to identify any Beneficial Owner meeting one or more of the following conditions. [If this option is selected, the Bidder shall provide explanation on why it is unable to identify any Beneficial Owner]

- directly or indirectly holding 5% or more of the shares
- directly or indirectly holding 5% or more of the voting rights
- directly or indirectly having the right to appoint a majority of the board of directors or equivalent governing body of the Bidder]"
- directly or indirectly, has a substantial economic interest in or receives substantial economic benefit from, a company, whether acting alone or together with other persons;
- has a significant stake in a company and on whose behalf activity of a company is conducted; or
- exercises significant control or influence over a person through a formal or informal agreement, and where such ownership, control or interest is through a trust, the trustee (s), beneficiaries, or anyone who controls the trust.

Zomba Central Hospital

Procurement Number: ZCH/RFQ/INSECT/TRAPPERS/11/26/REVISED Date: 18th November,2026

1. DEFINITIONS

"Contract" means a legally binding agreement between two or more parties formed by the mutual consent of the parties;

"Contract Price" means the price payable to the Supplier under the Contract for the full and proper performance of its contractual obligations;

"Goods" means objects of every kind and description, including raw materials, products and equipment, and objects in solid, liquid or gaseous form, and electricity, as well as services incidental to the supply of the goods if the value of those incidental services does not exceed the value of the goods themselves;

"Incidental Services" means those services ancillary to the supply of the Goods or performance of works and may include transportation, insurance, installation, commissioning, provision of technical assistance, training, and other such obligations of the Supplier covered under the Contract;

"Services" means professional, technical, advisory, or maintenance obligations of the Supplier under a Contract for the provision of Services;

"Works" means works associated with the construction, re-construction, demolition, repair or renovation of a building, road, structure ·or works, such as site preparation, excavation, erection, building, installation of equipment or materials, decoration and finishing, as well as services incidental to construction such as drilling, mapping, satellite photography, seismic investigations, and related services provided pursuant to a procurement contract, if the value of those services does not exceed that of the works themselves;

"Procuring and Disposal Entity" means a Government ministry, department, agency, any other public body or any subdivision thereof engaging in procurement or disposal of public assets; and

"Supplier" means a natural, or legal person, who has entered into a procurement contract with a Procuring and Disposing Entity.

2. COUNTRY OF ORIGIN

2.1 All Goods, and Services supplied under the Contract shall have their origin in eligible countries and territories. Eligible countries shall include all member states of the United Nations.

2.2 For purposes of this Clause, "origin" means the place where the Goods were mined, grown, or produced, or from which the Services are supplied. Goods are produced when, through manufacturing, processing, or substantial and major assembly of components, a commercially recognised new product results that is substantially different in basic characteristics or in purpose or utility from its components.

2.3 The origin of Goods, Works and Services is distinct from the nationality of the Supplier.

3. STANDARDS

3.1 The Goods, Works and Services supplied under the Contract shall conform to all standards and requirements mentioned in the technical specifications, plans, drawings, terms of reference or other documentation forming part of the Contract.

4. PATENT RIGHTS

4.1 The Supplier shall indemnify the Procuring and Disposing Entity against all third-party claims of infringement of patent, trademark, or industrial design rights arising from use of the goods, output of the services, performance of the works, or any part thereof in the Republic of Malawi.

5. INSPECTIONS AND TESTS

5.1 The Procuring and Disposing Entity or its representative shall have the right to inspect and/or to test the Goods, Works or Services to confirm their conformity to the Contract at no extra cost to the Procuring and Disposing Entity. The Contract shall specify any inspections and tests the Procuring and Disposing Entity requires and where they are to be conducted. The Procuring and Disposing Entity shall notify the Supplier in writing of the identity of any representatives retained for these purposes.

5.2 Inspections and tests may be conducted on the premises of the Supplier or its subcontractor(s), at point of delivery, and/or at the project site. If conducted on the premises of the Supplier or its subcontractor(s), all reasonable facilities and assistance, including access to drawings and production data, shall be furnished to the inspectors at no charge to the Procuring and Disposing Entity.

5.3 Should any inspected or tested goods, works or services fail to conform to the Specifications, the Procuring and Disposing Entity may reject the Goods, Works or Services and the Supplier shall either replace or make alterations necessary to meet specification requirements free of cost to the Procuring and Disposing Entity.

5.4 The Procuring and Disposing Entity's right to inspect, test and, where necessary, reject the Goods, Works or Services shall in no way be limited or waived by reason of having previously been inspected, tested, and passed by the Procuring and Disposing Entity or its representative prior to shipment, installation or other performance in the Republic of Malawi.

5.5 Nothing in GCC Clause 7 shall in any way release the Supplier from any warranty or other obligations under this Contract.

6. **PACKING**

6.1 The Supplier shall provide such packing of Goods as is required to prevent damage or deterioration during transit to their final destination, as indicated in the Contract. The packing shall be sufficient to withstand, without limitation, rough handling during transit and exposure to extreme temperatures, salt and precipitation during transit, and open storage. Packing case size and weights shall take into consideration, where appropriate, the remoteness of the final destination and the absence of heavy handling facilities at all points in transit.

6.2 Packing, marking, and documentation within and outside the packages shall comply strictly with such special requirements as shall be expressly provided for in the Contract, including additional requirements specified in the contract documents and through any subsequent instructions issued by the Procuring and Disposing Entity.

7. **DELIVERY AND DOCUMENTS**

7.1 The Supplier, in accordance with the terms specified in the Schedule of Requirements, shall make delivery of Goods. The details of shipping and/or other documents to be furnished by the Supplier are specified in the Contract.

7.2 For purposes of the Contract, all trade terms used to describe the obligations of the parties shall have the meanings assigned to them by the current edition of Incoterms published by the International Chamber of Commerce, Paris.

7.3 Documents to be submitted by the Supplier are specified in the Contract and shall include certificates issued by the Procuring and Disposing Entity confirming acceptance of the Goods, Works or Services delivered or provided by the Supplier

8. **INSURANCE**

8.1Goods supplied under the Contract shall be fully insured in a freely convertible currency against loss or damage incidental to manufacture or acquisition, transportation, storage, and delivery in the manner specified in the contract document.

8.2 Where delivery of Goods is required by the Procuring and Disposing Entity on a CIF or CIP basis, the Supplier shall arrange and pay for cargo insurance, naming the Procuring and Disposing Entity as beneficiary. The insurance shall be for 110 percent of the CIF or CIP value on a "warehouse to warehouse" All Risks basis including War Risks and Strikes.

8.3 For Works contracts, the Supplier shall provide insurance cover, from the Start Date to the end of the Defects Liability Period, for the following events—

(a) loss of or damage to the Works, Plant, and Materials;

(b) loss of or damage to Equipment;

(c) loss of or damage to property (except the Works, Plant, Materials, and Equipment) in connection with the Contract; and
(d) personal injury or death.

8.4 For Services contracts the Supplier shall provide——
(a) public liability insurance;
(b) third party insurance;
(c) professional liability insurance, where appropriate; and
(d) employer's liability and workers' compensation insurance in respect of the personnel of the Supplier and of any sub-consultant.

9. TRANSPORTATION

9.1 Transportation of Goods shall be in accordance with the general provisions of the Incoterm selected. No restriction shall be placed on the choice of carrier.

9.2 Where the Supplier is required under the Contract to transport Goods to a specified destination within the Republic of Malawi, defined as the delivery site, transport, including insurance and storage, shall be arranged by the Supplier, and related costs shall be included in the Contract Price.

10. PROHIBITION OF CHILD LABOUR AND OTHER HARMFUL LABOUR PRACTICES

The Supplier shall not employ children. This is because it is economically exploitative, hazardous and interferes with the child's education; and is harmful to the child's health or physical, mental, spiritual, moral, or social development.

11. PROTECTION OF THE ENVIRONMENT

11.1 The Supplier shall take all reasonable steps to protect the environment (both on and off the Site) and to limit damage and nuisance to people and property resulting from pollution, noise and other results of his operations.

11.2 The Supplier shall ensure that emissions, surface discharges and effluent from the Contractor's activities shall not exceed the values stated in the Specification or prescribed by applicable Laws.

12. INCIDENTAL SERVICES

A Supplier may be required to provide any additional services as specified within the Contract.

13. SPARE PARTS

If specified in the Contract, the Supplier may be required to provide materials, notifications, and information pertaining to spare parts manufactured or distributed by the Supplier including such spare parts as the Procuring and Disposing Entity may decide to purchase from the Supplier,

provided that this decision shall not relieve the Supplier of any warranty obligations under the Contract.

14. **WARRANTY**

14.1 The Supplier warrants that goods and materials supplied under the Contract are new, unused, of the most recent or current models, and incorporate all recent improvements in design and materials unless provided otherwise in the Contract. The Supplier further warrants that all Goods supplied under this Contract shall have no defect arising from design, materials, or workmanship or from any act or omission of the Supplier, which may develop under normal use of the supplied goods in the conditions prevailing in the Republic of Malawi.

14.2 The Supplier warrants that all Works and Services performed under the contract shall be of the highest professional and technical standards.

14.3 Warranties shall remain valid for twelve (12) months after final acceptance of the Goods or Works by the Procuring and Disposing Entity, unless specified otherwise in the Contract.

14.4 The Procuring and Disposing Entity shall promptly notify the Supplier in writing of any claims arising under this warranty.

14.5 Upon receipt of such notice, the Supplier shall, with all reasonable speed, repair or replace the defective goods, works or parts thereof, without costs to the Procuring and Disposing Entity.

14.6 If the Supplier, having been notified, fails to remedy any defect within the period specified in the contract, the Procuring and Disposing Entity may proceed to take such remedial action as may be necessary, at the Supplier's risk and expense and without prejudice to any other rights which the Procuring and Disposing Entity may have against the Supplier under the Contract.

15. **PAYMENT**

15.1 The Supplier's request(s) for payment shall be made to the Procuring and Disposing Entity in writing, accompanied by an invoice describing, as appropriate, the goods delivered, works completed or services performed, and by documents submitted pursuant to clause 7, and upon fulfilment of other obligations stipulated in the Contract.

15.2 The Procuring and Disposing Entity shall make payments within forty-five (45) days from the date of submission of an invoice or claim by the Supplier.

15.3 The currency of payments shall be Malawi Kwacha unless otherwise stated in the contract.

16. **PRICES**

Prices charged by the Supplier for goods delivered and works or services performed under the Contract shall not vary from the prices quoted by the Supplier.

17. **CONTRACT AMENDMENTS**

No variation in or modification of the terms of the Contract shall be made except by written amendment signed by the parties.

18. **ASSIGNMENT**

The Supplier shall not assign, in whole or in part, its obligations to perform under this Contract, except with the prior written consent of the Procuring and Disposing Entity.

19. **DELAYS IN THE SUPPLIER'S PERFORMANCE**

19.1 Delivery of goods and/or performance of works or services shall be completed by the Supplier in accordance with the time schedule prescribed in the contract.

19.2 If at any time during performance of the Contract, the Supplier or its subcontractor encounters conditions impeding timely delivery of the Goods or performance of the Works or Services, the Supplier shall promptly notify the Procuring and Disposing Entity in writing of the fact of the delay, its likely duration and its cause(s). As soon as practicable after receipt of the Supplier's notice, the Procuring and Disposing Entity shall evaluate the situation and may at its discretion extend the Supplier's time for performance, with or without liquidated damages, in which case the extension shall be ratified by the parties by amendment of Contract.

19.3 Except as provided under clause 22, a delay by the Supplier in the performance of contractual obligations may render the Supplier liable to the imposition of liquidated damages pursuant to clause 20, unless an extension of time is agreed upon pursuant to clause 17.

20. **LIQUIDATED DAMAGES**

20.1 If the Supplier fails to deliver any or all of the goods or to perform the works or services within the period(s) specified in the Contract, the Procuring and Disposing Entity may, without prejudice to other remedies under the Contract, deduct from the Contract Price as liquidated damages, a percentage of the price of the delayed goods or unperformed works or services for each week or part thereof of delay until actual delivery or performance.

20.2 Once the maximum is reached, the Procuring and Disposing Entity may consider termination of the Contract pursuant to clause 21.

21. **TERMINATION FOR DEFAULT**

21.1 The Procuring and Disposing Entity, without prejudice to any other remedy for breach of Contract, by written notice of default sent to the Supplier, may terminate this Contract in whole or in part
—

(a) if the Supplier fails to deliver any or all of the goods or to perform the works or services within the period(s) specified in the Contract, or within any extension thereof granted by the Procuring and Disposing Entity pursuant to clause 17;

(b) if the Supplier fails to perform any other obligation(s) under the Contract; and

(c) if the Supplier, in the judgment of the Procuring and Disposing Entity, has engaged in corrupt, fraudulent, collusive, or coercive practices in competing for or in executing the Contract.

21.2 In the event the Procuring and Disposing Entity terminates the Contract in whole or in part, pursuant to clause 19.1, the Procuring and Disposing Entity may procure, upon such terms and in such manner as it deems appropriate, goods, works or services similar to those undelivered, and the Supplier shall be liable to the Procuring and Disposing Entity for any excess costs for such similar goods, works or services. However, the Supplier shall continue performance of the Contract to the extent not terminated.

21.3 For the purpose of this Clause—

"Coercive practices" mean practices intended at harming or threatening to harm, directly or indirectly, a person or a person's asset, to influence that person's participation in a procurement or disposal proceeding, or effect the execution of a procurement or disposal contract;

"Collusive practice" means a scheme or arrangement between two or more Suppliers, with or without the knowledge of the Procuring and Disposing Entity, designed to establish prices at artificial, non-competitive levels;

"Corrupt practice" has the meaning ascribed to the term by the Corrupt Practices Act (Cap 7:04 of the Laws of Malawi);

"Fraudulent practice" means a misrepresentation or omission of facts in order to influence a procurement process or the execution of a contract; and

"Obstructive practice" means deliberately destroying, falsifying, altering, or concealing of evidence material to the investigation or making false statements to investigators in order to materially impede a Bank investigation into allegations of a corrupt, fraudulent, coercive or collusive practice; and/or threatening, harassing or intimidating any party to prevent it from disclosing its knowledge of matters relevant to the investigation or from pursuing the investigation.

FORCE MAJEURE

22.1 Notwithstanding the provisions of clauses 17, 18, and 19, the Supplier shall not be liable for liquidated damages, or termination for default if and to the extent that its delay in performance or other failure to perform its obligations under the Contract is a result of an event of Force Majeure.

22.2 If a Force Majeure situation arises, the Supplier shall promptly notify the Procuring and Disposing Entity in writing of such condition and the cause thereof. Unless otherwise directed by the Procuring and Disposing Entity in writing, the Supplier shall continue to perform its obligations under the Contract as far as is reasonably practical and shall seek all reasonable alternative means for performance not prevented by the Force Majeure event.

22.3 For purposes of this Clause, "Force Majeure" means an event beyond the control of the Supplier and not involving the Supplier's fault or negligence and not foreseeable. Such events may include, but are not restricted to, acts of the Procuring and Disposing Entity in its sovereign capacity, wars or revolutions, fires, floods, epidemics, quarantine restrictions, and freight embargoes.

22. **TERMINATION FOR CONVENIENCE**

23.1 The Procuring and Disposing Entity, by written notice sent to the Supplier, may terminate the Contract, in whole or in part, at any time for its convenience. The notice of termination shall specify that termination is for the Procuring and Disposing Entity's convenience, the extent to which performance of the Supplier under the Contract is terminated, and the date upon which such termination becomes effective.

23.2 The Procuring and Disposing Entity shall accept goods that are complete and ready for shipment within thirty (30) days after the Supplier's receipt of notice of termination at the Contract terms and prices. For the remaining goods, the Procuring and Disposing Entity may decide—

(a) to have any portion completed and delivered at the Contract terms and prices; and/or

(b) to cancel the remainder and pay to the Supplier an agreed amount for partially completed goods, works and services and for materials and parts previously procured by the Supplier.

23.3 For Works contracts, the Procuring and Disposing Entity shall issue a payment certificate for the value of work done, materials ordered, the reasonable costs of removal of equipment and securing the site, and relocation of Supplier's personnel.

23.4 For Services contracts, the Procuring and Disposing Entity shall pay all time-based fees and reimbursable expenses incurred up to the date of termination and for all stage payments due in addition to reasonable costs of removal of equipment and relocation of Supplier's personnel.

23. **SETTLEMENT OF DISPUTES**

24.1 If any dispute or difference of any kind whatsoever arises between the Procuring and Disposing Entity and the Supplier in connection with or arising out of the Contract, the parties shall make every effort to resolve amicably such dispute or difference by mutual consultation.

24.2 If, after thirty (30) days, the parties have failed to resolve their dispute or difference by such mutual consultation, then either party shall give notice to the other party of its intention to

commence arbitration proceedings as to the matter in dispute. Arbitration may be commenced prior to or after delivery of the goods or performance of the works or services under the Contract.

24.3 Arbitration shall be conducted in accordance with the rules of procedure contained in the Arbitration Act (Cap 6:03 of the Laws of Malawi).

24.4Notwithstanding any reference to arbitration herein—

(a) the parties shall continue to perform their respective obligations under the Contract unless they otherwise agree; and

(b) the Procuring and Disposing Entity shall pay the Supplier any monies due.

24. LIMITATION OF LIABILITY

25.1 Except in cases of criminal negligence or wilful misconduct, and in the case of infringement pursuant to clause 4: yd zswzxCXN3JK—

(a) the Supplier shall not be liable to Procuring and Disposing Entity, whether in contract, tort, or otherwise, for any indirect or consequential loss or damage, loss of use, loss of production, or loss of profits or interest costs, provided that this exclusion shall not apply to any obligation of the Supplier to pay liquidated damages to the Procuring and Disposing Entity; and

(b) the aggregate liability of the Supplier to the Procuring and Disposing Entity, whether under the Contract, in tort or otherwise, shall not exceed the total Contract Price, provided that this limitation shall not apply to the cost of repairing or replacing defective equipment.

25. GOVERNING LANGUAGE

The Governing Language **shall be English**.

26. APPLICABLE LAW

The Contract shall be interpreted in accordance with the laws of the Republic of Malawi.

27. NOTICES

28.1 Any notice given by one party to the other pursuant to this Contract shall be sent to the other party in writing or by cable, or email and confirmed in writing to the other party's address specified in the Contract.

28.2 A notice shall be effective when delivered or on the notice's effective date, whichever is later.

28. TAXES AND DUTIES

A Supplier shall be entirely responsible for all taxes, duties, license fees, and such levies incurred until delivery of the contracted goods to the Procuring and Disposing Entity or performance of the works or services.
