TERMS OF REFERENCE (ToR)

For Maintenance and Upgrade of Biometric Access Control and Time & Attendance System

1. Background

The Ministry of Health – Global Fund/GAVI Project Implementation Unit (PIU) operates a ZKTeco biometric access control and time & attendance system to manage access across key facilities and offices at CHSU.

The system enhances physical security and attendance accountability for PIU staff.

Some biometric devices have become faulty, others require replacement, and the current setup lacks sufficient redundancy and backup power. In addition, management intends to introduce RFID card access for easier and faster identification of authorized personnel.

PIU therefore seeks to engage a qualified service provider to conduct maintenance, repair, replacement, software licensing, and installation of dedicated power backup and RFID card access for 70 users.

2. Objective of the Assignment

The overall objective of this assignment is to restore and enhance the reliability, functionality, and usability of the biometric access control and attendance system.

Specific objectives include:

- Maintain and repair all existing biometric access devices and maglocks.
- Replace four (4) faulty biometric in/out units with new ZKTeco-compatible devices integrated with maglocks.
- Repair six (6) biometric devices and restore them to full functionality.
- Provide and configure a perpetual ZKTeco Time & Attendance Software license.
- Supply and register 70 RFID access cards for authorized users.
- Install independent power backup for each biometric access point.

3. Scope of Work

A. System Inspection and Preventive Maintenance

1. Inspect and service all biometric access points, wiring, relays, and maglocks.
2. Clean sensors, replace damaged cables, and update device firmware.
3. Conduct testing to verify power reliability, communication, and door actuation.
4. Produce a diagnostic and maintenance report with clear recommendations.

B. Replacement of Faulty Biometric Devices

1. Supply and install four (4) new biometric access control units (two doors with in/out configuration), complete with maglocks, exit buttons, and door sensors.
2. Integrate the devices with the existing ZKTeco server and configure both biometric and RFID card access.
3. Ensure full synchronization with the Time & Attendance system.
4. Implement fail-safe emergency access configuration and fire exit override.

Minimum Technical Specifications for New Devices

Feature	Specification
Brand	ZKTeco (or fully compatible equivalent)
Identification Modes	Fingerprint, RFID Card, and PIN
User Capacity	Minimum 3,000 fingerprints and 3,000 cards
RFID Support	125 kHz EM or 13.56 MHz Mifare
Display	≥2.8-inch color LCD
Log Capacity	≥100,000 transactions
Communication	TCP/IP, USB, RS485 (optional Wi-Fi)
Access Control Features	Wiegand In/Out, Door Sensor, Anti-passback
Integration	Must be compatible with ZKAccess or BioTime software
Power	12V DC
Weather Resistance	IP65 for outdoor installations

Maglocks

Feature	Specification
Holding Force	≥600 lbs (272 kg)
Voltage	12V/24V DC
Type	Fail-safe mode with LED indicators
Durability	Weatherproof and corrosion resistant

C. Repair of Existing Biometric Devices

1. Diagnose and repair six (6) existing biometric devices.
2. Replace damaged fingerprint sensors, displays, relays, or internal boards where required.
3. Reconnect devices to the local network and test door access and event logging.
4. Confirm synchronization with the central time & attendance software.

D. Software Licensing and Configuration

1. Supply, install, and activate a perpetual ZKTeco Time & Attendance Management Software license.

2. Integrate all biometric devices within a single centralized platform.
3. Configure user roles, access levels, and automated reports (daily attendance, in/out logs).
4. Train PIU ICT staff on system configuration, reporting, and backup procedures.
5. Provide license documentation and activation certificate.

E. RFID Card Access and Registration

1. Supply 70 RFID access cards compatible with the new and existing ZKTeco devices.
 2. Enroll each card to the appropriate user within the system.
 3. Link card access to attendance and access logs for accurate reporting.
 4. Provide a printed and softcopy register mapping user name, card serial number, and assigned access level.
 5. Conduct access testing to ensure all cards function across authorized doors.
-

F. Power Backup Provision

1. Supply and install dedicated power backup units for each biometric access device to ensure continuous operation during power outages.
2. Each access point shall have one of the following:
 - Option A: Mini 12V 7Ah sealed lead-acid (SLA) battery pack with automatic charging system, or
 - Option B: 12V Mini-UPS (2A output) providing at least 3–5 hours of backup power.
3. Install backup units in protected enclosures adjacent to each biometric point.
4. Label and record all backup units for future maintenance tracking.
5. Test power continuity to ensure seamless failover from mains to backup.

4. Deliverables

The contractor shall deliver the following:

- Maintenance and diagnostic report for all biometric access devices.
- Four (4) newly installed in/out biometric terminals with maglocks and backup units.
- Six (6) repaired biometric devices.
- 70 registered RFID cards configured and mapped to users.
- Installed and configured ZKTeco Time & Attendance software (Perpetual License).
- Full system documentation including wiring diagrams, network map, and access matrix.
- User training and handover to PIU ICT staff.

5. Duration of Assignment

The assignment shall be completed within fourteen (14) working days from the date of contract signing.

6. Reporting and Supervision

The contractor shall report directly to the ICT and work under the oversight of the Head of Finance and Program Manager at PIU.

All works shall be verified and accepted by the PIU ICT Department prior to final payment.

7. Contractor Qualifications

- At least 3 years' experience in biometric access control and time & attendance systems.
- Demonstrable expertise with ZKTeco devices and software platforms.
- Certified technicians in electronics, networking, and access control.
- Ability to provide genuine perpetual software licenses and technical documentation.

8. Warranty and Support

- Minimum 12-month warranty on new biometric devices, maglocks, backup units, and accessories.
- Perpetual ZKTeco software license with lifetime activation.
- Quarterly preventive maintenance within the first year.
- Onsite and remote technical support during warranty period.

TERMS OF REFERENCE (ToR)

For the Maintenance and Expansion of the Hikvision IP Surveillance System

Ministry of Health – Global Fund/GAVI Project Implementation Unit (PIU)

Date: October 2025

1. Background

The Ministry of Health, through the Global Fund/GAVI Project Implementation Unit (PIU), installed a **Hikvision IP-based surveillance system** to enhance the security of its offices, stores, and ICT infrastructure. The system consists of Hikvision IP cameras and a Network Video Recorder (NVR) integrated within the PIU's local network.

To sustain functionality and improve coverage, the PIU intends to procure professional services for the **maintenance of existing Hikvision IP cameras and NVR**, and **expand the system** through the supply and installation of additional Hikvision-compatible cameras, storage drives, and cabling materials.

2. Objective of the Assignment

The overall objective is to maintain and expand the Hikvision surveillance system for optimal functionality and enhanced coverage.

Specific objectives include:

- To conduct preventive and corrective maintenance of existing Hikvision IP cameras and NVR.
- To supply and install **four (4) 8MP bullet cameras** and **two (2) 8MP dome cameras** compatible with Hikvision systems.
- To expand storage capacity of the existing Hikvision NVR by **adding 24TB surveillance-grade hard drives**.
- To provide and install **two (2) drums of Molex Cat6 Ethernet cables** for improved connectivity and system expansion.

3. Scope of Work

A. Maintenance of Existing Hikvision System

1. Inspect and service all existing Hikvision IP cameras and the NVR unit.
2. Clean lenses, check camera housings, and ensure clear imaging.
3. Test and verify PoE power supply, connectivity, and recording functionality.
4. Update camera and NVR firmware to the latest stable versions.
5. Optimize NVR configuration, network routing, and storage management.
6. Provide a detailed maintenance and inspection report including device status, serial numbers, and recommendations.

B. Supply and Installation of New Equipment

1. **Supply and Install Six (6) Hikvision-Compatible IP Cameras:**
 - **Four (4) 8MP Bullet Cameras (Outdoor):**
 - Resolution: 8 Megapixels (4K UHD)
 - Infrared Range: ≥40 meters
 - Weatherproof: IP67
 - Power: PoE (IEEE 802.3af/at compliant)
 - Smart Functions: Motion detection, intrusion, and line crossing
 - Compatibility: Must integrate seamlessly with existing Hikvision NVR
 - **Two (2) 8MP Dome Cameras (Outdoor/Under Canopy):**
 - Resolution: 8 Megapixels (4K UHD)
 - Infrared Range: ≥30 meters
 - Protection: IP67 and IK10 (vandal resistant)
 - Power: PoE
 - Smart Functions: Motion detection and remote view capability
2. **Installation Sites:**
 - Around the **EPI Offices** at CHSU for perimeter and entrance surveillance.
 - At the **two (2) containers housing solar systems** to enhance outdoor monitoring and security coverage.
3. **Storage Expansion for Existing Hikvision NVR:**
 - Supply and install **24TB (3 × 8TB, 7200 RPM)** surveillance-grade HDDs compatible with Hikvision NVR.
 - Configure the new drives for redundancy and extended retention (RAID setup where supported).
4. **Network Cabling and Accessories:**
 - Supply and install **two (2) drums of Molex Cat6 Ethernet cable (305m each)**.
 - Perform terminations using Molex RJ45 connectors and label all endpoints.
 - Test and document each connection using a cable certifier.
5. **System Configuration and Integration:**
 - Integrate all new cameras into the existing Hikvision NVR.
 - Configure live view, motion alerts, and remote access for authorized PIU ICT personnel.
 - Provide a network topology diagram with camera locations, IP addresses, and connection details.

4. Deliverables

The contractor shall provide:

- Maintenance report of existing Hikvision system (cameras and NVR).
- Six (6) newly installed 8MP Hikvision-compatible cameras (4 bullet + 2 dome).
- Installed and configured 24TB NVR storage expansion.
- Two Molex Cat6 Ethernet cable drums supplied and utilized for installations.
- Network configuration diagram and acceptance report.
- Short user training session for PIU ICT staff.

5. Duration of Assignment

The assignment must be completed within **fourteen (14) working days** from the date of contract signing.

6. Reporting and Supervision

The contractor shall report to the **ICT** and work under the oversight of the **Head of Finance** and **Program Manager** at PIU.

All deliverables will be verified and accepted by the PIU ICT Department.

7. Contractor Qualifications

- Minimum **3 years of experience** in Hikvision IP CCTV systems installation and maintenance.
- Proven record of similar work in government, health, or donor-funded organizations.
- Certified technicians with expertise in network and surveillance technologies.
- Demonstrated capacity to provide warranty, support, and documentation.

8. Warranty and Support

- Minimum **12-month warranty** on newly supplied cameras, HDDs, and installation workmanship.
- Contractor to offer **quarterly maintenance visits** during the warranty period.

Standard Bidding Document for Request for Quotation for Procurement of Goods

1. DEFINITIONS

"Contract" means a legally binding agreement between two or more parties formed by the mutual consent of the parties;

"Contract Price" means the price payable to the Supplier under the Contract for the full and proper performance of its contractual obligations;

"Goods" means objects of every kind and description, including raw materials, products and equipment, and objects in solid, liquid or gaseous form, and electricity, as well as services incidental to the supply of the goods if the value of those incidental services does not exceed the value of the goods themselves;

"Incidental Services" means those services ancillary to the supply of the Goods or performance of works and may include transportation, insurance, installation, commissioning, provision of technical assistance, training, and other such obligations of the Supplier covered under the Contract;

"Services" means professional, technical, advisory, or maintenance obligations of the Supplier under a Contract for the provision of Services;

"Works" means works associated with the construction, re-construction, demolition, repair or renovation of a building, road, structure or works, such as site preparation, excavation, erection, building, installation of equipment or materials, decoration and finishing, as well as services incidental to construction such as drilling, mapping, satellite photography, seismic investigations, and related services provided pursuant to a procurement contract, if the value of those services does not exceed that of the works themselves;

"Procuring and Disposal Entity" means a Government ministry, department, agency, any other public body or any subdivision thereof engaging in procurement or disposal of public assets; and

"Supplier" means a natural, or legal person, who has entered into a procurement contract with a Procuring and Disposing Entity.

Standard Bidding Document for Request for Quotation for Procurement of Goods

2. COUNTRY OF ORIGIN

2.1 All Goods, and Services supplied under the Contract shall have their origin in eligible countries and territories. Eligible countries shall include all member states of the United Nations.

2.2 For purposes of this Clause, "origin" means the place where the Goods were mined, grown, or produced, or from which the Services are supplied. Goods are produced when, through manufacturing, processing, or substantial and major assembly of components, a commercially recognised new product results that is substantially different in basic characteristics or in purpose or utility from its components.

2.3 The origin of Goods, Works and Services is distinct from the nationality of the Supplier.

3. STANDARDS

3.1 The Goods, Works and Services supplied under the Contract shall conform to all standards and requirements mentioned in the technical specifications, plans, drawings, terms of reference or other documentation forming part of the Contract.

4. PATENT RIGHTS

4.1 The Supplier shall indemnify the Procuring and Disposing Entity against all third-party claims of infringement of patent, trademark, or industrial design rights arising from use of the goods, output of the services, performance of the works, or any part thereof in the Republic of Malawi.

5. INSPECTIONS AND TESTS

5.1 The Procuring and Disposing Entity or its representative shall have the right to inspect and/or to test the Goods, Works or Services to confirm their conformity to the Contract at no extra cost to the Procuring and Disposing Entity. The Contract shall specify any inspections and tests the Procuring and Disposing Entity requires and where they are to be conducted. The Procuring and Disposing Entity shall notify the Supplier in writing of the identity of any representatives retained for these purposes.

5.2 Inspections and tests may be conducted on the premises of the Supplier or its subcontractor(s), at point of delivery, and/or at the project site. If conducted on

Standard Bidding Document for Request for Quotation for Procurement of Goods

the premises of the Supplier or its subcontractor(s), all reasonable facilities and assistance, including access to drawings and production data, shall be furnished to the inspectors at no charge to the Procuring and Disposing Entity.

5.3 Should any inspected or tested goods, works or services fail to conform to the Specifications, the Procuring and Disposing Entity may reject the Goods, Works or Services and the Supplier shall either replace or make alterations necessary to meet specification requirements free of cost to the Procuring and Disposing Entity.

5.4 The Procuring and Disposing Entity's right to inspect, test and, where necessary, reject the Goods, Works or Services shall in no way be limited or waived by reason of having previously been inspected, tested, and passed by the Procuring and Disposing Entity or its representative prior to shipment, installation or other performance in the Republic of Malawi.

5.5 Nothing in GCC Clause 7 shall in any way release the Supplier from any warranty or other obligations under this Contract.

6. PACKING

6.1 The Supplier shall provide such packing of Goods as is required to prevent damage or deterioration during transit to their final destination, as indicated in the Contract. The packing shall be sufficient to withstand, without limitation, rough handling during transit and exposure to extreme temperatures, salt and precipitation during transit, and open storage. Packing case size and weights shall take into consideration, where appropriate, the remoteness of the final destination and the absence of heavy handling facilities at all points in transit.

6.2 Packing, marking, and documentation within and outside the packages shall comply strictly with such special requirements as shall be expressly provided for in the Contract, including additional requirements specified in the contract documents and through any subsequent instructions issued by the Procuring and Disposing Entity.

7. DELIVERY AND DOCUMENTS

7.1 The Supplier, in accordance with the terms specified in the Schedule of Requirements, shall make delivery of Goods. The details of shipping and/or other documents to be furnished by the Supplier are specified in the Contract.

Standard Bidding Document for Request for Quotation for Procurement of Goods

7.2 For purposes of the Contract, all trade terms used to describe the obligations of the parties shall have the meanings assigned to them by the current edition of Incoterms published by the International Chamber of Commerce, Paris.

7.3 Documents to be submitted by the Supplier are specified in the Contract and shall include certificates issued by the Procuring and Disposing Entity confirming acceptance of the Goods, Works or Services delivered or provided by the Supplier

8. INSURANCE

8.1 Goods supplied under the Contract shall be fully insured in a freely convertible currency against loss or damage incidental to manufacture or acquisition, transportation, storage, and delivery in the manner specified in the contract document.

8.2 Where delivery of Goods is required by the Procuring and Disposing Entity on a CIF or CIP basis, the Supplier shall arrange and pay for cargo insurance, naming the Procuring and Disposing Entity as beneficiary. The insurance shall be for 110 percent of the CIF or CIP value on a "warehouse to warehouse" All Risks basis including War Risks and Strikes.

8.3 For Works contracts, the Supplier shall provide insurance cover, from the Start Date to the end of the Defects Liability Period, for the following events—

- (a) loss of or damage to the Works, Plant, and Materials;
- (b) loss of or damage to Equipment;
- (c) loss of or damage to property (except the Works, Plant, Materials, and Equipment) in connection with the Contract; and
- (d) personal injury or death.

8.4 For Services contracts the Supplier shall provide—

- (a) public liability insurance;
- (b) third party insurance;
- (c) professional liability insurance, where appropriate; and
- (d) employer's liability and workers' compensation insurance in respect of the personnel of the Supplier and of any sub-consultant.

9. TRANSPORTATION

9.1 Transportation of Goods shall be in accordance with the general provisions of the Incoterm selected. No restriction shall be placed on the choice of carrier.

Standard Bidding Document for Request for Quotation for Procurement of Goods

9.2 Where the Supplier is required under the Contract to transport Goods to a specified destination within the Republic of Malawi, defined as the delivery site, transport, including insurance and storage, shall be arranged by the Supplier, and related costs shall be included in the Contract Price.

10. PROHIBITION OF CHILD LABOUR AND OTHER HARMFUL LABOUR PRACTICES

The Supplier shall not employ children. This is because it is economically exploitative, hazardous and interferes with the child's education; and is harmful to the child's health or physical, mental, spiritual, moral, or social development.

11. PROTECTION OF THE ENVIRONMENT

11.1 The Supplier shall take all reasonable steps to protect the environment (both on and off the Site) and to limit damage and nuisance to people and property resulting from pollution, noise and other results of his operations.

11.2 The Supplier shall ensure that emissions, surface discharges and effluent from the Contractor's activities shall not exceed the values stated in the Specification or prescribed by applicable Laws.

12. INCIDENTAL SERVICES

A Supplier may be required to provide any additional services as specified within the Contract.

13. SPARE PARTS

If specified in the Contract, the Supplier may be required to provide materials, notifications, and information pertaining to spare parts manufactured or distributed by the Supplier including such spare parts as the Procuring and Disposing Entity may decide to purchase from the Supplier, provided that this decision shall not relieve the Supplier of any warranty obligations under the Contract.

14. WARRANTY

14.1 The Supplier warrants that goods and materials supplied under the Contract are new, unused, of the most recent or current models, and incorporate all recent improvements in design and materials unless provided otherwise in the Contract. The Supplier further warrants that all Goods supplied under this Contract shall have no defect arising from design, materials, or workmanship or from any act

Standard Bidding Document for Request for Quotation for Procurement of Goods

or omission of the Supplier, which may develop under normal use of the supplied goods in the conditions prevailing in the Republic of Malawi.

14.2 The Supplier warrants that all Works and Services performed under the contract shall be of the highest professional and technical standards.

14.3 Warranties shall remain valid for twelve (12) months after final acceptance of the Goods or Works by the Procuring and Disposing Entity, unless specified otherwise in the Contract.

14.4 The Procuring and Disposing Entity shall promptly notify the Supplier in writing of any claims arising under this warranty.

14.5 Upon receipt of such notice, the Supplier shall, with all reasonable speed, repair or replace the defective goods, works or parts thereof, without costs to the Procuring and Disposing Entity.

14.6 If the Supplier, having been notified, fails to remedy any defect within the period specified in the contract, the Procuring and Disposing Entity may proceed to take such remedial action as may be necessary, at the Supplier's risk and expense and without prejudice to any other rights which the Procuring and Disposing Entity may have against the Supplier under the Contract.

15. PAYMENT

15.1 The Supplier's request(s) for payment shall be made to the Procuring and Disposing Entity in writing, accompanied by an invoice describing, as appropriate, the goods delivered, works completed or services performed, and by documents submitted pursuant to clause 7, and upon fulfilment of other obligations stipulated in the Contract.

15.2 The Procuring and Disposing Entity shall make payments within forty-five (45) days from the date of submission of an invoice or claim by the Supplier.

15.3 The currency of payments shall be Malawi Kwacha unless otherwise stated in the contract.

16. PRICES

Prices charged by the Supplier for goods delivered and works or services performed under the Contract shall not vary from the prices quoted by the Supplier.

17.CONTRACT AMENDMENTS

No variation in or modification of the terms of the Contract shall be made except by written amendment signed by the parties.

18.ASSIGNMENT

The Supplier shall not assign, in whole or in part, its obligations to perform under this Contract, except with the prior written consent of the Procuring and Disposing Entity.

19.DELAYS IN THE SUPPLIER'S PERFORMANCE

19.1 Delivery of goods and/or performance of works or services shall be completed by the Supplier in accordance with the time schedule prescribed in the contract.

19.2 If at any time during performance of the Contract, the Supplier or its subcontractor encounters conditions impeding timely delivery of the Goods or performance of the Works or Services, the Supplier shall promptly notify the Procuring and Disposing Entity in writing of the fact of the delay, its likely duration and its cause(s). As soon as practicable after receipt of the Supplier's notice, the Procuring and Disposing Entity shall evaluate the situation and may at its discretion extend the Supplier's time for performance, with or without liquidated damages, in which case the extension shall be ratified by the parties by amendment of Contract.

19.3 Except as provided under clause 22, a delay by the Supplier in the performance of contractual obligations may render the Supplier liable to the imposition of liquidated damages pursuant to clause 20, unless an extension of time is agreed upon pursuant to clause 17.

20.LIQUIDATED DAMAGES

20.1 If the Supplier fails to deliver any or all of the goods or to perform the works or services within the period(s) specified in the Contract, the Procuring and Disposing Entity may, without prejudice to other remedies under the Contract, deduct from the Contract Price as liquidated damages, a percentage of the price of the delayed goods or unperformed works or services for each week or part thereof of delay until actual delivery or performance.

20.2 Once the maximum is reached, the Procuring and Disposing Entity may consider termination of the Contract pursuant to clause 21.

21. TERMINATION FOR DEFAULT

21.1 The Procuring and Disposing Entity, without prejudice to any other remedy for breach of Contract, by written notice of default sent to the Supplier, may terminate this Contract in whole or in part —

(a) if the Supplier fails to deliver any or all of the goods or to perform the works or services within the period(s) specified in the Contract, or within any extension thereof granted by the Procuring and Disposing Entity pursuant to clause 17;

(b) if the Supplier fails to perform any other obligation(s) under the Contract; and

(c) if the Supplier, in the judgment of the Procuring and Disposing Entity, has engaged in corrupt, fraudulent, collusive, or coercive practices in competing for or in executing the Contract.

21.2 In the event the Procuring and Disposing Entity terminates the Contract in whole or in part, pursuant to clause 19.1, the Procuring and Disposing Entity may procure, upon such terms and in such manner as it deems appropriate, goods, works or services similar to those undelivered, and the Supplier shall be liable to the Procuring and Disposing Entity for any excess costs for such similar goods, works or services. However, the Supplier shall continue performance of the Contract to the extent not terminated.

21.3 For the purpose of this Clause—

“Coercive practices” mean practices intended at harming or threatening to harm, directly or indirectly, a person or a person’s asset, to influence that person’s participation in a procurement or disposal proceeding, or effect the execution of a procurement or disposal contract;

“Collusive practice” means a scheme or arrangement between two or more Suppliers, with or without the knowledge of the Procuring and Disposing Entity, designed to establish prices at artificial, non-competitive levels;

“Corrupt practice” has the meaning ascribed to the term by the Corrupt

Practices Act (Cap 7:04 of the Laws of Malawi);

"Fraudulent practice" means a misrepresentation or omission of facts in order to influence a procurement process or the execution of a contract; and

"Obstructive practice" means deliberately destroying, falsifying, altering, or concealing of evidence material to the investigation or making false statements to investigators in order to materially impede a Bank investigation into allegations of a corrupt, fraudulent, coercive or collusive practice; and/or threatening, harassing or intimidating any party to prevent it from disclosing its knowledge of matters relevant to the investigation or from pursuing the investigation.

FORCE MAJEURE

22.1 Notwithstanding the provisions of clauses 17, 18, and 19, the Supplier shall not be liable for liquidated damages, or termination for default if and to the extent that its delay in performance or other failure to perform its obligations under the Contract is a result of an event of Force Majeure.

22.2 If a Force Majeure situation arises, the Supplier shall promptly notify the Procuring and Disposing Entity in writing of such condition and the cause thereof. Unless otherwise directed by the Procuring and Disposing Entity in writing, the Supplier shall continue to perform its obligations under the Contract as far as is reasonably practical and shall seek all reasonable alternative means for performance not prevented by the Force Majeure event.

22.3 For purposes of this Clause, "Force Majeure" means an event beyond the control of the Supplier and not involving the Supplier's fault or negligence and not foreseeable. Such events may include, but are not restricted to, acts of the Procuring and Disposing Entity in its sovereign capacity, wars or revolutions, fires, floods, epidemics, quarantine restrictions, and freight embargoes.

22. TERMINATION FOR CONVENIENCE

23.1 The Procuring and Disposing Entity, by written notice sent to the Supplier, may terminate the Contract, in whole or in part, at any time for its convenience. The notice of termination shall specify that termination is for the Procuring and Disposing Entity's convenience, the extent to which performance of the Supplier under the Contract is terminated, and the date upon which such termination becomes effective.

23.2 The Procuring and Disposing Entity shall accept goods that are complete and ready for shipment within thirty (30) days after the Supplier's receipt of notice of termination at the Contract terms and prices. For the remaining goods, the Procuring and Disposing Entity may decide—

(a) to have any portion completed and delivered at the Contract terms and prices; and/or

(b) to cancel the remainder and pay to the Supplier an agreed amount for partially completed goods, works and services and for materials and parts previously procured by the Supplier.

23.3 For Works contracts, the Procuring and Disposing Entity shall issue a payment certificate for the value of work done, materials ordered, the reasonable costs of removal of equipment and securing the site, and relocation of Supplier's personnel.

23.4 For Services contracts, the Procuring and Disposing Entity shall pay all time-based fees and reimbursable expenses incurred up to the date of termination and for all stage payments due in addition to reasonable costs of removal of equipment and relocation of Supplier's personnel.

23.SETTLEMENT OF DISPUTES

24.1 If any dispute or difference of any kind whatsoever arises between the Procuring and Disposing Entity and the Supplier in connection with or arising out of the Contract, the parties shall make every effort to resolve amicably such dispute or difference by mutual consultation.

24.2 If, after thirty (30) days, the parties have failed to resolve their dispute or difference by such mutual consultation, then either party shall give notice to the other party of its intention to commence arbitration proceedings as to the matter in dispute. Arbitration may be commenced prior to or after delivery of the goods or performance of the works or services under the Contract.

24.3 Arbitration shall be conducted in accordance with the rules of procedure contained in the Arbitration Act (Cap 6:03 of the Laws of Malawi).

24.4 Notwithstanding any reference to arbitration herein—

(a) the parties shall continue to perform their respective obligations under the Contract unless they otherwise agree; and

(b)the Procuring and Disposing Entity shall pay the Supplier any monies due.

24.LIMITATION OF LIABILITY

25.1 Except in cases of criminal negligence or wilful misconduct, and in the case of infringement pursuant to clause 4: yd zswzxCXN3JK—

(a)the Supplier shall not be liable to Procuring and Disposing Entity, whether in contract, tort, or otherwise, for any indirect or consequential loss or damage, loss of use, loss of production, or loss of profits or interest costs, provided that this exclusion shall not apply to any obligation of the Supplier to pay liquidated damages to the Procuring and Disposing Entity; and

(b)the aggregate liability of the Supplier to the Procuring and Disposing Entity, whether under the Contract, in tort or otherwise, shall not exceed the total Contract Price, provided that this limitation shall not apply to the cost of repairing or replacing defective equipment.

25.GOVERNING LANGUAGE

The Governing Language shall be English.

26.APPLICABLE LAW

The Contract shall be interpreted in accordance with the laws of the Republic of Malawi.

27.NOTICES

28.1 Any notice given by one party to the other pursuant to this Contract shall be sent to the other party in writing or by cable, or email and confirmed in writing to the other party's address specified in the Contract.

28.2 A notice shall be effective when delivered or on the notice's effective date, whichever is later.

28.TAXES AND DUTIES
